1. About the camp

Your child can learn traditional craft processes that they will remember for a lifetime! Students will be introduced to sewing, weaving, jewelry making, papermaking, and ceramics. We will discuss the significance of these crafts throughout history and how they are used today. Students will also be introduced to artists who use these processes in their work and learn how they can use these processes to create unique works of art. Throughout the week the students will make a woven tapestry, a sewn pouch, beaded bracelets, seed paper, and ceramic pots. This summer camp will give students an opportunity to learn about some traditional craft processes that they can utilize as they move forward on their creative paths!

Mud Daubers: Summer Art Camp is designed for children ages 6-14; children ages 5 and under will not be admitted.

*Campers must pack a lunch and snack every day to eat during supervised breaks.

You must fill out the Enrollment Application and pay a deposit to be registered in the camp.
